TAP BEERS

		POT – 285ml	PINT – 500ml
Burleigh Brewing - 28 Pale Ale	4.8%	7	12
American-style pale ale boasting a deep amber colour and a fragrant bouquet. 28 Pale Ale is a medium bodied beer with masterfully balanced hoppiness. A flavourful beer with a complex, fruity character - citrus, grapefruit, passionfruit and lychee notes.			
Burleigh Brewing - Twisted Palm	4.2%	7	12
Twisted Palm is an easy drinking, laid-back Tropical Pale Ale, which we are affectionately describing as Burleigh in a bottle. With hop-driven characters of orange, mango and papaya, it delivers a tropical taste that is sure to put the sand between your toes and the tan on your skin.			
Burleigh Brewing – Big Head	4.2%	7	12
Big Head is a full-flavoured, full-strength beer that is 100% natural. Smooth, balanced and easy to drink			
Burleigh Brewing – Fig Jam IPA	7%	8.5	14
An intensive five-stage hopping process delivers a rich, robust character, smooth flavour and an inviting aroma. So, while it has all the mighty ‘BAM’ of the original, it’s surprisingly well balanced.			
Stone & Wood – Garden Ale	3.5%	6.5	11
Brewed with a blend of pale and crystal malts, and both kettle and dry hopped with Ella, our Garden Ale has a citrus aroma balanced with a clean malt characters and an easy bitter finish			
Birra Moretti (Italy)	4.6%	8.5	14
Birra Moretti is a genuine beer produced using a traditional process that has remained almost unchanged since 1859. To produce Birra Moretti, only the highest quality raw materials are used being a particular mixture of valuable hops, that gives the beer its aroma and unique fragrance, intensifying the slight bitter flavour. It is a low fermented beer that has a golden colour, the tone of which is given by the quality of malt used			
Birra Del Borgo – ReAle Extra (Italy)	6.9%	10	17
A variation of the normal ReAle, the hops are different in the quantity: very high, but the most varied is the hops use technique. All hops are used in the last 10 minutes of boiling, in a quantity 3 times higher than Pale Ale. The result is an explosion of perfumes ranging from citrus to resinous (pine and incense resin), it immediately comes to bitter and then leaves a beautiful tangerine note that remains extremely persistent.			

STUBBIE BEERS

Cascade Premium Light	2.9%	7
XXXX Gold – Mid Strength	3.5%	7

Burleigh Brewing “My Wife’s Bitter”	4.8%	9

Napoleon Apple & Pear Cider	4%	8.5

ITALIAN BEER

Peroni Leggera – Mid Strength	3.5%	8
Peroni Leggera is an expertly brewed lager using the same unique, quality Italian ingredients. Light in colour and body and has a clean, refreshing taste, with an added bitter note to provide a balanced flavour, while its effervescent sparkle acts as a great thirst quencher		
Peroni Nastro Azzurro	5.1%	9.5
Brewed from the finest spring planted barley malts, has a unique balanced taste with a delicate aroma arising from the hops of the most exclusive varieties. Young, balanced and sparkling, Nastro Azzurro is the beer for the knowledgeable and demanding consumer		
Peroni Red	4.7%	10
Peroni Red can trace its origins back to the late 19th century, when Peroni was first established as a brewery in Vigevano, Italy. Peroni Red offers a fresh, clean and balanced taste, the result of the dedication of generations of the most qualified brewers. Peroni Red is a remarkably smooth beer with a balanced taste of hops and malts.		
Peroni Gran Riserva Dopo – 500ml	6.6%	17
An excellent beer emerges from the great Peroni tradition – Peroni Gran Riserva. A prestigious clear double malt beer with an alcohol content of 6.6%: this beer is the result of a careful, scrupulous selection of the most noble qualities of aromatic hops, yeast and a spring variety of distichous barley named "cherie". Ingredients are chosen with great attention and the experience of long-standing brewers		
Birra Del Borgo - Cortigiana	4.6%	11
Like a lady of other times, the Cortigiana uses the subtle weapons of seduction to conquer each palate. At first he irresistiates with his disarming freshness, then reveals a more decisive character, which leads without delay to the second sip. It is difficult to withstand its enchanting aroma, where the citrus and floral aromas of hops get married to the honeycomb notes of malt, with an intriguing spicy note in the final that adds that "nonsoche" to a brewing beer. You can betray it, but never abandon it!		
Birra Del Borgo – Etrusca “Ancient Ale”	9.3%	21.5
Using ingredients found on archeological sites (different cereals, hazelnuts, raisins, pomegranate, resins, honey), these beers are made to the standards of Roman Times and is fermented in clay amphorae.		
Birra Del Borgo – Keto “Reporter” Porter	5.8%	12
The brewing beer is the King Porter to which Kentucky Tuscan tobacco leaves, the one used for famous cigars, are added. The result is a dark, impenetrable dark beer, with a very rich nose, offering toasting, tobacco, spicy and nutmeg. In the mouth we find the toasts, a light acidity and the tobacco that gives tasty, almost spicy tones . Very wide, long and complex,		
Birra Del Borgo – Saracena	5%	14
It has a slightly veiled golden color, with light and compact foam. The buckwheat characterizes the aroma, with pleasures of cereal, yeast and fresh herbaceous nuances. Fresh and with great visibility, the smell of smell returns to the palate.		
Birra Del Borgo – Equilibrata (Champagne Beer) 750ml	10.9%	55
A young Chianti seduces with her strength a Duchess, she conjures up with elegance and together they go to get married, with a 50% wine and 50% beer mug in a single ferment, creating an unforgettable alchemy . The union continues in the bottle with the addition of liqueur de tirage which makes them sparkling. They live in the bottle together with their small yeasts, which will give a fragrance to their wedding. They stir up together and then the Birger magician gives them new life with the magical rite of the mouth, adding the potion, the expedition liqueur, as from an ancient recipe passed down from generation to generation. Very rare first edition issued in extremely limited quantities by Del Borgo.		
Birra Del Borgo – Caos (Wine meets Beer) 750ml	7.5%	59
After Equilibrata, the beer inspired by the Champagne world, here it is a new experiment on the “wine meets beer” theme. This time, though, we tipped the scales in favour of beer, adding to the Duchessa wort only a 25% of wine must: in this case we used Malvasia (coming from our friends of Tenuta di Bibbiano, as usual), a white, aromatic grape variety which gives the beer a gentle and nice sharpness and an unusual, fruity nose. The beer is bottle-fermentd using Champagne-yeasts, and it has a quite intense “perlage” (bubbles) that makes it perfect as an aperitif or even for the whole meal

A special vinification practice led to the use of this term: the must remains in contact with the skins for 24 hours and this practice gives the wine a very distinctive coppersy hue. As such Ramato boasts a rich, fruity bouquet, and opens full and weighty on the palate, with multi-faceted flavours.

CHARDONNAY

The Chardonnay grape itself is very neutral, with many of the flavors commonly associated with the grape being derived from such influences as terroir and oak. In cool climates Chardonnay tends to be medium to light body with noticeable acidity and flavors of green plum, apple, and pear. In warmer locations, the flavors become more citrus, peach, and melon, while in very warm locations more fig and tropical fruit notes such as banana and mango come out.

PINOT NOIR

The thin-skins and low levels of acidity lends Pinot to producing mostly lightly colored, medium bodied wines that can often go through aging producing amazing results. When young, wines tend to have red fruit aromas of cherries, raspberries and strawberries. As the wines age, Pinots have the potential to develop vegetal and "barnyard" aromas that can contribute to the complexity of the wine.

CHIANTI

Why is Chianti more written about, drank, and talked about than any other Italian wine in history? What makes Chianti the perfect food wine?

Chianti, a red blend from Tuscany, is the most recognized wine outside of Italy. It is as essential to Italian cuisine as extra virgin olive oil. There are few pleasures as distinct as a tart, spicy, herbaceous Chianti wine next to a plate of sliced prosciutto or pasta al pomodoro.

The Sangiovese that forms the majority of the Chianti blend is a thin-skinned grape, so it makes translucent wines. In the glass, Sangiovese displays a ruby red color with flashes of bright burnt orange – a hue commonly associated with aged wines. Besides Sangiovese, Chianti wines may contain wine grapes like Canaiolo, Colorino, Cabernet Sauvignon and even Merlot.

2015	Cavatina Chianti DOCG <i>Varietal – Sangiovese</i> A lively ruby red in the glass, this wine has a really lush bouquet. The nose is quite intense with an abundance of floral. It dishes out dark fruits and an old world charm that is very much distinctive	Tuscany	Italy	45

2013	Rocca di Castagnoli Chianti Classico DOCG <i>Varietal – Sangiovese</i> Remarkable notes of ripe red berries. The spicy and balsamic notes from the oak ageing are well integrated in the wine, supporting the characteristic tone of the Sangiovese. Full-bodied, powerful, with a good acidity and crispy and captivating tannin that gives elegance and great drinkability to the wine.	Tuscany	Italy	55
2015	Frescobaldi - Castiglioni Chianti DOCG <i>Varietal – Sangiovese & Merlot</i> The nose brims with emphatic notes of wild red fruit, such as blackberry, redcurrant, raspberry, and strawberry. The mouth boasts a warm velvety with fine-grained tannins already well integrated into the structure. A bright, lively acidity contributes to the wine's impressive overall balance.	Tuscany	Italy	67
2015	Salcheto “Colli Senesi” Chianti DOCG <i>Varietal – Sangiovese</i> The 2014 Chianti Colli Senesi is wonderfully pure, delineated and vibrant in the glass, with pulsating energy that gives the red cherry and plum Sangiovese flavors an extra kick of brightness.	Tuscany	Italy	70
2013	Antinori “Peppoli” Chianti Classico DOCG <i>Varietal – Sangiovese, Merlot, Syrah</i> Ruby red in color, this wine shows notes of cherries well integrated with the chocolate and vanilla aromas of the oak aging. 2013	Castello Di Farnetella Chianti Classico DOCG <i>Varietal – Sangiovese & Merlot</i> In the glass you have rich ruby red with purplish highlights which continue through to the nose with aromas of wild red berry fruit and notes of anise and sweet liquorice (classic to the sangiovese of this area), well melded into subtle nuances of spice. On the palate you have velvety mouthfeel, with a finish laced with aromatic fruit and delicate vanilla.	Tuscany	Italy	83

RED WINE BLENDS & VARIETALS

Cabernet Sauvignon as a Shiraz partner is also popular and some of the greatest Australian wines ever made are a blend of these two varieties. These wines are complex and robust with incredible ageing potential. Often the two varieties are taken from different regions to create extra levels of ripeness and layers of complexity. Cabernet Sauvignon is more often than not blended with one or several other grapes. In Australia, apart from Shiraz, Cabernet Sauvignon's main blending partner is usually Merlot, as it is in Bordeaux, sometime along with lesser amounts of Cabernet Franc, Malbec and Petit Verdot. Each of these blending partners brings something unique to Cabernet-based blends. Merlot adds flesh and middle palate richness, along with plum and violet characters and a silky texture. Cabernet Franc gives an aromatic lift and tight pepper, spice and red berry characters. Malbec gives palate weight, dark fruit flavours and dusty tannins. Petit Verdot adds fragrance and rich dark fruit flavours that stiffen up the middle palate. The winemaker's objective with blending is to make a wine with greater balance, complexity, intensity and length.

SHIRAZ

Shiraz is one of the darkest red wines on the market. Darker than Cabernet Sauvignon, this wine is so dark that if you were to hold a glass of the wine up to the light, you'd have a very hard time seeing through it. Shiraz is a wine with a large amount of mouth-drying tannins, and it is known to be full-bodied, which means it feels heavy in your mouth; the wine features flavors such as berries, pepper, tobacco, and even smoked meat. While Shiraz is the perfect accompaniment to meat, it goes well with anything, so drink it with any food you enjoy eating.

2013 Alpha Crucis “Winemakers Series” McLaren Vale SA 149

Delizioso is proud to present the very limited “Winemaker Series” from Alpha Crucis Vineyard.

The Winemakers’ Series examines the influence of a winemaker on how a wine may taste. Six winemakers were tasked with making a wine autonomously, in a style of their choosing and sourced from the same vineyard. The winemakers needed to determine several factors; the date of harvest, the technique and method of fermenting and the means of maturing the wine to reflect their individual preferences.

The goal was to explore how a winemaker would affect a parcel of grapes compared with five of their contemporaries, including whether or not gender may be an identifiable influence. To that end two female and four male winemakers are represented.

As tempting as it may be to rank these wines in terms of quality, this is not the aim of the initiative. Rather, the winemakers’ objective is to make a wine that reflects their winemaking philosophy in a style they find enjoyable.

Each bottle is hand painted with the portrait of the wine maker and each winemaker is listed below

- Rebecca Wilson from Bremerton Vineyard**
- Corrina Wright from Oliver’s Taranga Vineyard**
- Steve Grimley from Norfolk Rise Vineyard**
- Mike Brown from Gemtree Vineyard**
- Peter Schnell from Spinifex Vineyard**
- Tom Harvey from Chalk Hill Vineyard**
